Summer Fun Family Literacy Tips & Activities

- Plan a vacation where there are no televisions, brings lots of reading material. Why? Many children won't consider reading as a source of entertainment unless there is nothing else to do
- = Listen to an audio book in the car as a family and make predictions about what everyone thinks will happen next.
- = Start a summer journal for the family where everyone can record their most favourite summer memories.
- = Create cozy reading spots around the house to encourage reading everywhere. The garden, under a tree, a cozy bean bag chair the possibilities are endless...
